Coffee break

Breakfast, lunch and dinner will be served daily in our spacious canteen. In between sessions you can enjoy a cup of coffee or tea and have a bite of authentic Danish sweets.

Should you have any special requests regarding the meals (e.g. vegetarian, vegan food), kindly mention this in the **Registration Form**.

To get to Denmark, you can either fly to Billund, Aarhus, Aalborg or Copenhagen Airport. You have to **arrive in Denmark latest on 16th August at 15:00**. Otherwise there is a high risk that you will miss the last train/bus to the venue.

You **MUST** book your flight tickets latest by **5th July**. This is very important because we need to buy in advance the train/bus tickets for you to get to the project venue. Public transport is very expensive in Denmark and that's why we need to book tickets 1-2 months before in order to get the best price. Don't book any tickets for local transport in Denmark, as we will arrange this for you.

If you fail to comply with the above deadline for flights, then you risk going over the travel budget, as the train tickets usually cost around 120 EUR for a return ticket per person, compared to 30-40 EUR if we book it well in advance.

The cost of the local train/bus tickets will be of course included in your travel budget.

Remember to drop us an email at danishyouthteam@gmail.com before booking your flight tickets, as we have to confirm your itinerary and price of the tickets. Be aware that we do not reimburse tickets purchased through travel agencies, unless otherwise agreed.

Feeling like visiting around?

In case you want to spend extra days in Denmark, feel free to do so. You are allowed to spend up to **6 extra days** outside the project dates. However, you'll have to cover the expenses for food and accommodation yourself.

If you get selected to participate in this youth exchange, please fill in the **“Registration Form”** below by simply clicking on it.

Please have your flight tickets ready, as you’ll have to upload them in the form.

Deadline: 05.07.2020

Only for selected participants!

FINANCIAL

Accommodation, meals and travel costs will be covered for all participants. However, the upper limit for the travel budget varies for each country, as outlined above.

Although it is not mandatory, we strongly advise you to have **medical insurance** covering emergencies. You never know what might happen during your stay. Medical services are very expensive in Denmark.

As a general rule, participants are requested to keep all tickets, invoices and **boarding passes** in order to be eligible for refunding. We strongly recommend that you check-in online for your flights and get your boarding passes in PDF format. In order to receive the travel reimbursement for the whole group, the team leaders from each country must follow 2 simple steps:

- ✓ **Step 1.** Team leader gathers ALL the travel documents from its national team, electronically. These include: **boarding passes**, local bus/train tickets and any other relevant receipts.
- ✓ **Step 2.** Team leader fills out the **Reimbursement Request** form and uploads ALL the travel documents within the above form.

Documents sent by email, whatsapp, facebook, etc will be disregarded.

Reimbursements will be processed per country, no later than 6 weeks from the day we receive the reimbursement forms.

Participation fee: **20 EUR** per participant
(it includes: cultural trips to Aarhus, bed linen, materials)

Only for Team Leaders:
