VENUE: **Esch-sur-Alzette city,** **Luxembourg**

Esch-sur-Alzette is the heart of Southern Luxembourg, the so-called Minette region. Long before the Grand Duchy became a global player in the financial sector and the European Union institutions were established, the region was known throughout Europe for iron ore exploitation and processing. While the Minette's industrial heritage remains omnipresent, Esch and its modern Belval district have become popular for students and concertgoers. Several music venues, including the country's largest – the Rockhal – are found here. Grand Duchy of Luxembourg is located in the heart of Europe, bordered by Germany, France and Belgium where you can drive 3 hours to be in Frankfurt, Brussels, and Paris.

The capital, Luxembourg City, is, together with Brussels and Strasbourg, one of the three official capitals of the European Union and the seat of the European Court of Justice, the highest juridical authority in the EU, many European institutions are based in Luxembourg as Luxembourg was a founding member of many European Institutions; and to know that the word (Schengen) that is used for the visas is one of the cities in Luxembourg where the treaty was signed. Luxembourg has 3 official languages: Luxembourgish, French and German.
