WELCOME

A4ACTION – the Association for Initiatives and Continuous Development is an organisation funded in October 2012. Our work is focused on young people, youth workers and educators. Our mission is to generate continuous development for young people and communities through non-formal learning activities, volunteering and civic involvement. Our vision is to provide all young people with space to reach their full potential through learning and with opportunities to actively contribute to the development of the community they belong to.

This youth exchange is implemented by [A4ACTION](#), with the help of the following partners:

1. [Danish Youth Team](#) (Denmark)
2. [Servicio de Juventud Infancia y Adolescencia del Ayuntamiento de Alcobendas. Centro Joven Imagina](#) (Spain)
3. [Associazione MYCulture](#) (Italy)
4. [Youth Horizons](#) (Greece)
5. [Regional Volunteer Center](#) (Poland)

THE EXCHANGE

The aim of this mobility is to equip participants with knowledge and skills to adopt environmentally friendly habits in their daily life.

The groups of selected participants will be contacted prior to the mobility about information, activities or presentations that they will need to prepare in advance.

LEARNING OBJECTIVES

The participants will have the opportunity :

- To learn easy ways to be more eco-friendly in their everyday lives, like recycling, using less water, and choosing products that are good for the environment.
- To get involved in fun outdoor activities that help them appreciate nature more, like hiking, planting trees, and learning about local wildlife.
- To learn the benefits of spending time in nature for health and well-being, and they'll be encouraged to make it a regular part of their life.
- To learn how to teach their friends and family about protecting the environment, using simple tips and ideas they've learned.

PERIOD

The youth exchange will take place from the **11th to the 20th of March 2024**. Please note that the first and last days of this period will be considered travel days.

VENUE, ACCOMMODATION, FOOD

Our venue will be Hotel Draga Maria from Predeal city, Brasov county. The hotel is located in a picturesque mountain resort situated 40 km away from the city of Braşov. The participants will be staying in rooms of two, three or four people, and each room has a private bathroom with a bath / shower; a hairdryer and towels are included. Meals will be provided at the restaurant in the hotel. Any dietary requirements can be catered for upon request before mobility. Wireless internet is available in the hotel rooms and is free of charge. If you are interested in seeing more pictures of the location, please visit the venue's website [here](#).

HOW TO GET HERE

There is transport by train available from Bucharest Otopeni airport to Predeal, but a taxi is necessary from Predeal train station to the accommodation. You can view timetables and purchase train tickets online [here](#).

To get from the airport to the accommodation, it would be best to take the train from Bucharest Otopeni airport to Gara de Nord train station (the main train station in Bucharest), then take the train from Gara de Nord to Predeal and use a taxi to arrive at the accommodation from Predeal train station. Please take into consideration that the local taxis only receive a cash payment in Lei (Romanian currency) and you will need cash to come to and go back from the hotel.

Please note that the shuttle bus service from the airport to Predeal will NOT be covered for reimbursement, and we strongly advise AGAINST using it due to previous issues with these transport companies.
