Our objective is to bring more youngsters with fewer opportunities in Erasmus+ field.

A seven-day program is commonly agreed designed by the consortium, and it will reach a peak at the open event. The main topics will be about Refugee youth crisis followed by inclusive sports activities, open to everyone.

A "making waves" event will focus on Dissemination and Exploitation of Results Strategy while all workshops/ tools/ mobility will be accessible to all.

A diverse background of the Consortium is enrichment for future steps, gender balance and a mixture of both blind and visually impaired and sighted youngsters.

The presence of assistants and inclusive tools of non-formal education has been commonly decided, as well as a monthly plan prior to and after the main mobility 3-10/7/2021 in Thessaloniki, Greece.

The hotel is Sun Beach Hotel (alternative option due to COVID-19 is Santa Hotel in the same area.

The language in use is English and all participants will be insured prior to the main mobility.

Making Waves

From Multicultural to Intercultural

Campaign

Each youngster will choose one value, different than the other participants. The value will be printed on a unique sound ball, our accessible tool. Each youngster will prepare a short bilingual (in English and in mother tongue) message including this value for multiplying “A ball for all” and Erasmus+ program. Furthermore, we will shoot a picture of each youngster with the ball to be on one side, and the other side will choose a connected photo for conveying a message.
